Thailand Economics Olympiad (TEO)

1. About Thailand Economics Olympiad (TEO)

Thailand Economics Olympiad (TEO) is an annual national competition for high school students in Thailand. We hope that this contest will motivate high school students across the country to expand their knowledge of economics. Moreover, the top five contestants will have the privilege of representing Thailand at the International Economics Olympiad, which will be held online from July 26 to August 1

2. National Selection Round

- 2.1. Date: June 27, 2021
- 2.2. Time: TBD (Check website for updates)
- 2.3. Location: Online

3. How to Register

- 3.1. This competition is open to Thai students currently enrolled in secondary school and born on or after 1st July, 2001.
- 3.2. Registration closes on 15th June, 2021

4. Test Format

- 4.1. The Thailand Economics Olympiad will include 30 multiple choice questions and 4 short-response questions.
- 4.2. The test will include questions that require economic intuition, as well as careful calculations.
- 4.3. Knowledge of algebra will be sufficient for completing calculation questions; knowledge of calculus is not required.
- 4.4. The test will cover topics that are commonly covered in introductory microeconomics and macroeconomics courses.
- 4.5. Please refer to the competition website for further information and links to recommended study resources.

As the International Economics Olympiad will be held in English, the Thailand Economics Olympiad will also be conducted in English.

Please feel free to contact use at info@teolympiad.com or call 02-279-1999 / 086-331-1151 with any queries.

We hope to see you at the competition!
